

MEETING #6 SUMMARY — JUNE 11, 2026

Atlas Morgan Land Partnership · Marcus + Chris · In-person at Marcus's · ~60 min

KEY DECISIONS

- **New standalone LLC** — clean 50/50 split for land. NOT adding Marcus to Atlas Morgan. Atlas Morgan stays separate for Chris's multi-family work.
- **Meeting cadence:** Monday + Thursday weekly.
- **24-hour review commitment** — both partners review summary & internalize action items within 24 hrs.
- **Three counties locked:** Park County CO (Bailey), Smith County TX (Tyler), White County TN (Sparta).
- **Property focus:** 1–5 acre parcels as primary target.
- **Call system:** Live agent (Pat Live) first → filter junk → simultaneous ring to both partners. No press-1 IVR. Single land-specific number.
- **Mailer rollout:** 100 mailers/county to test systems, then scale to 1,000/county. Blind offers at ~20% of comped value.
- **Comping:** Triangulation engine = PropStream + County Appraisal District + HiLo/Zillow estimate.
- **CRM evaluation:** FreedomSoft, REI Pro, RE Simply, Airtable. Investment Dominator dismissed (overpriced, workflow-locked).
