

ZILLOW MANUAL STR LOOKUP

Quick steps to pull Active & Sold counts · ~5 min for 3 counties

- 1 **Go to Zillow**
Open
- 2 **Search the county**
Type in the search bar: (or Smith County, TX / White County, TN) → hit Enter
- 3 **Set the filter to LAND**
Click **"Home Type"** → uncheck everything → check **"Lots/Land"** only → click **Apply**
- 4 **Set acreage to 1–5 acres**
Click **"More"** → scroll to **"Lot Size"** → Min: Max: → click **Apply**
- 5 **Count the ACTIVE listings**
Toggle at top should say **"For Sale"** → look at the result count at the top of the page (e.g., "218 results") → **write that down as Active**
- 6 **Switch to SOLD**
Click the top toggle **"For Sale"** → switch to **"Sold"**
- 7 **Set sold timeframe to 12 months**
Click **"Sold in last..."** → select **"12 months"**
- 8 **Count the SOLD listings**
Look at the result count at the top of the page → **write that down as Sold**

STEP 9 — SEND GERALD THE NUMBERS

Just text back like this:

Park CO:	Active = ____	Sold = ____
Smith TX:	Active = ____	Sold = ____
White TN:	Active = ____	Sold = ____

Gerald calculates STR%, fills the scorecards, reprints.

STR % = Sold ÷ Active × 100 · Ideal: 20–130% · Min Sold = 50 (skip if lower) · Prepared by Gerald 🍊
